MEMORANDUM FOR: Director, Basic and Geographic Intelligence

SUBJECT   : FY 1974 Reductions

1. As you are aware a FY 1974 personnel ceiling for
the Intelligence Directorate has been established which is
considerably below that originally authorized. As a result
the DDI is considering reducing the NIS program   STAT
                                                                   STAT

2. You are requested to consider the impact of this
reduction   and report   STAT
this to the DDI Planning Staff by 21 May. These will be
reviewed by the DDI in context of the total impact on the
Directorate of the overall reduction program.

                                                                   STAT

MEMORANDUM FOR: Director of Economic Research

SUBJECT   :   FY 1974 Reductions

        As you are aware, a FY 1974 personnel ceiling for the
Intelligence Directorate has been established which is con-
siderably below that originally authorized. As a result the
DDI has asked that you consider a reduction   STAT
                                            in the NIS program (your role   STAT
in the NIS program would be reduced to simply consultation
and advice). I would appreciate a response from you by
21 May describing what the impact on other than the NIS
program would be. This will be reviewed by the DDI in con-
text of the total impact on the Directorate of the overall
reduction program.
